CONFERENCE ANNOUNCEMENT

The **10th International Conference on Applied Statistics** is jointly organized by The Department of Statistics and Econometrics, The Romanian Society of Statistics and The Romanian Club of Statisticians.

AIMS AND SCOPE

The main goal of the **10th International Conference on Applied Statistics** is to provide an opportunity for researchers, teachers and Ph.D. students to meet and to present their research results on Applied Statistics. A two-day program consists of invited paper presentations, contributed paper sections on various topics and ending with a cultural program. All participants that have submitted an extended abstract will be encouraged to write a full paper which will be sent for publication in a current or special number of the following journals:

Journal of Economic Computation and Economic Cybernetics Studies, ISI Thompson, indexed, 2014/2015 Impact Factor, 0.406, <http://www.scijournal.org/impact-factor-of-ECON-COMPUT-ECON-CYB.shtml>

Journal of Economic and Social Statistics,

Romanian Statistical Review (Revista Română de Statistică),

Journal of Applied Quantitative Methods.

The official languages of the conference are Romanian and English.

IMPORTANT DATES

Extended abstract submission: **26th April 2016. Please see format on the conference website!**

Author notification about the acceptance of the abstract/paper: **26 April- May 1, 2016**

Fee payment: **14 May 2016**

Full paper submission to one of the partner Journals: **30 June 2016**

REGISTRATION FEE AND SUBMISSION

The registration fee is **100 RON/participant (equivalent of approx. 25 euro)**. The fee includes reception, lunch and snacks. The costs of transport and accommodation are to be borne by participants.

Further details about the payment methods will be available on the web page of the conference-
