

ASE – The Romanian university with the best employer reputation!

QS World University Rankings 2018 confirms ASE's position as a top university, at national, regional and international level!

At national level, ASE is the Romanian university with the best employer reputation, which certifies ASE's own graduate surveys, which point to 81.35% of the latter finding a job within 3 months upon finishing their studies. Moreover, ASE is the second Romanian universities regards two other criteria: international faculty and web impact.

At regional level, ASE is one of the top 2.6% universities in Eastern Europe and Central Asia, according to QS World University Rankings 2018.

At international level, ASE maintains its position among the top 301-350 universities in the field of Economics and Econometrics, being the first out of the two Romanian universities evaluated in this category.

In comparison with QS World University Rankings 2017, ASE maintains its world positioning and consolidates its regional and national position. QS World University Rankings 2018 evaluates nearly 960 universities in 84 countries, an additional number of more than 50 universities more than the previous edition.

QS World University Rankings is an annual ranking of universities around the globe, based on the following criteria: academic reputation, employer reputation, faculty/student ratio, staff with PhD, citations per paper, paper per faculty, international faculty, international students, web impact.
