

The Bucharest University of Economic Studies
present in “Times Higher Education Emerging Economies University Rankings 2019”

In January 2019, the “Times Higher Education Emerging Economies University Rankings 2019” was made public. According to this prestigious ranking, The Bucharest University of Economic Studies is placed 351+ among universities from 43 countries. The ranking reunites all the Romanian universities members of the Universitaria Consortium.

The ranking analyzes the performance of the best universities in emerging economies on the basis of the same set of indicators as the ones used for the “Times Higher Education World University Rankings”: the quality of the teaching and learning environment; research volume, income and reputation; research influence; the degree of internationalization, and industry income.

The screenshot shows the website interface for THE World University Rankings. The navigation bar includes links for PROFESSIONAL, JOBS, SUMMITS, RANKINGS, STUDENT, and ABOUT US. The main heading is "Emerging Economies University Rankings 2019". Below this, there is a description of the ranking and a search filter for "Romania". A table lists the Bucharest University of Economic Studies with a rank of 351+.
