PRESS RELEASE

Bucharest, December 12, 2017

The Bucharest University of Economic Studies is the best positioned Romanian university in Top Shanghai 2017

The Bucharest University of Economic Studies is the best positioned Romanian university in Top Shanghai 2017 – Shanghai Ranking's Global Ranking of Academic Subjects 2017, the most renowned academic ranking in the world. ASE is no. 151-200 in its specific domain - Economics, which includes 300 higher education institutions from all over the world. The top three universities in this domain are University of Chicago, Harvard University and University of California, Berkeley, all from the United States of America. ASE holds a leading position ahead of other prestigious universities such as HEC Paris, University of Illinois at Chicago, University of Leicester etc.

Shanghai Ranking's Global Ranking of Academic Subjects 2017 analyzes the performance of over 4000 universities worldwide in 52 subjects across natural sciences, engineering, life sciences, medical sciences, and social sciences. The ranking criteria are: the number of papers authored by an institution in an Academic Subject, the citation impact from InCites database to measure average impact of papers authored by an institution in an Academic Subject, the percentage of internationally collaborated papers authored by an institution in an Academic Subject, the number of papers published in top journals in an Academic Subject, and the total number of the staff of an institution winning a significant award in an Academic Subject.

ASE is the Romanian university with the best employer reputation, according to the prestigious QS World University Rankings 2018, which shows that ASE maintains its ranking as no. 301-350 in the world in Economics and Econometrics, being the first among Romanian universities evaluated in this category. In the same ranking, ASE is the second Romanian university as regards two criteria: international faculty and web impact. QS World University Rankings is an annual ranking of universities around the globe, based on the following criteria: academic reputation, employer reputation, faculty/student ratio, staff with PhD, citations per paper, paper per faculty, international faculty, international students, web impact.

Recognition gained through these rankings confirms ASE's position as a Leader of economic higher education institutions from Romania with an outstanding international positioning – a positive outcome for 2017 and starting point for 2018, the year in which the University celebrates its 105th Anniversary.
